

Kitchen Range Selector

Our ranges are split into 3 categories; Modern, Shaker and Timeless. At the beginning of each section there will be symbols to let you know if that section units are available in your required category.

The symbols are:

Modern

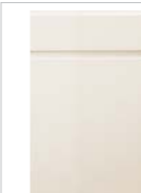

Shaker

Timeless

The availability of the 3 categories is indicated either by a ✓ (available) or X (not available) next to the symbol.

Please note that if using Mix and Match options, drilling orientations will differ.

The choice of handle is shown above. Remember that all handles need to be ordered separately from the units and are chargeable. If a handle is not specified with the order, the standard handle for that particular range will be supplied. Although most ranges are available with any handle, we do not recommend choosing a handle that does not fit the pilot drillings.
