

PVC Edging

All our worktops are available with matching 40mm PVC edging as shown. Multiplex can be used with a worktop finish of your choice.

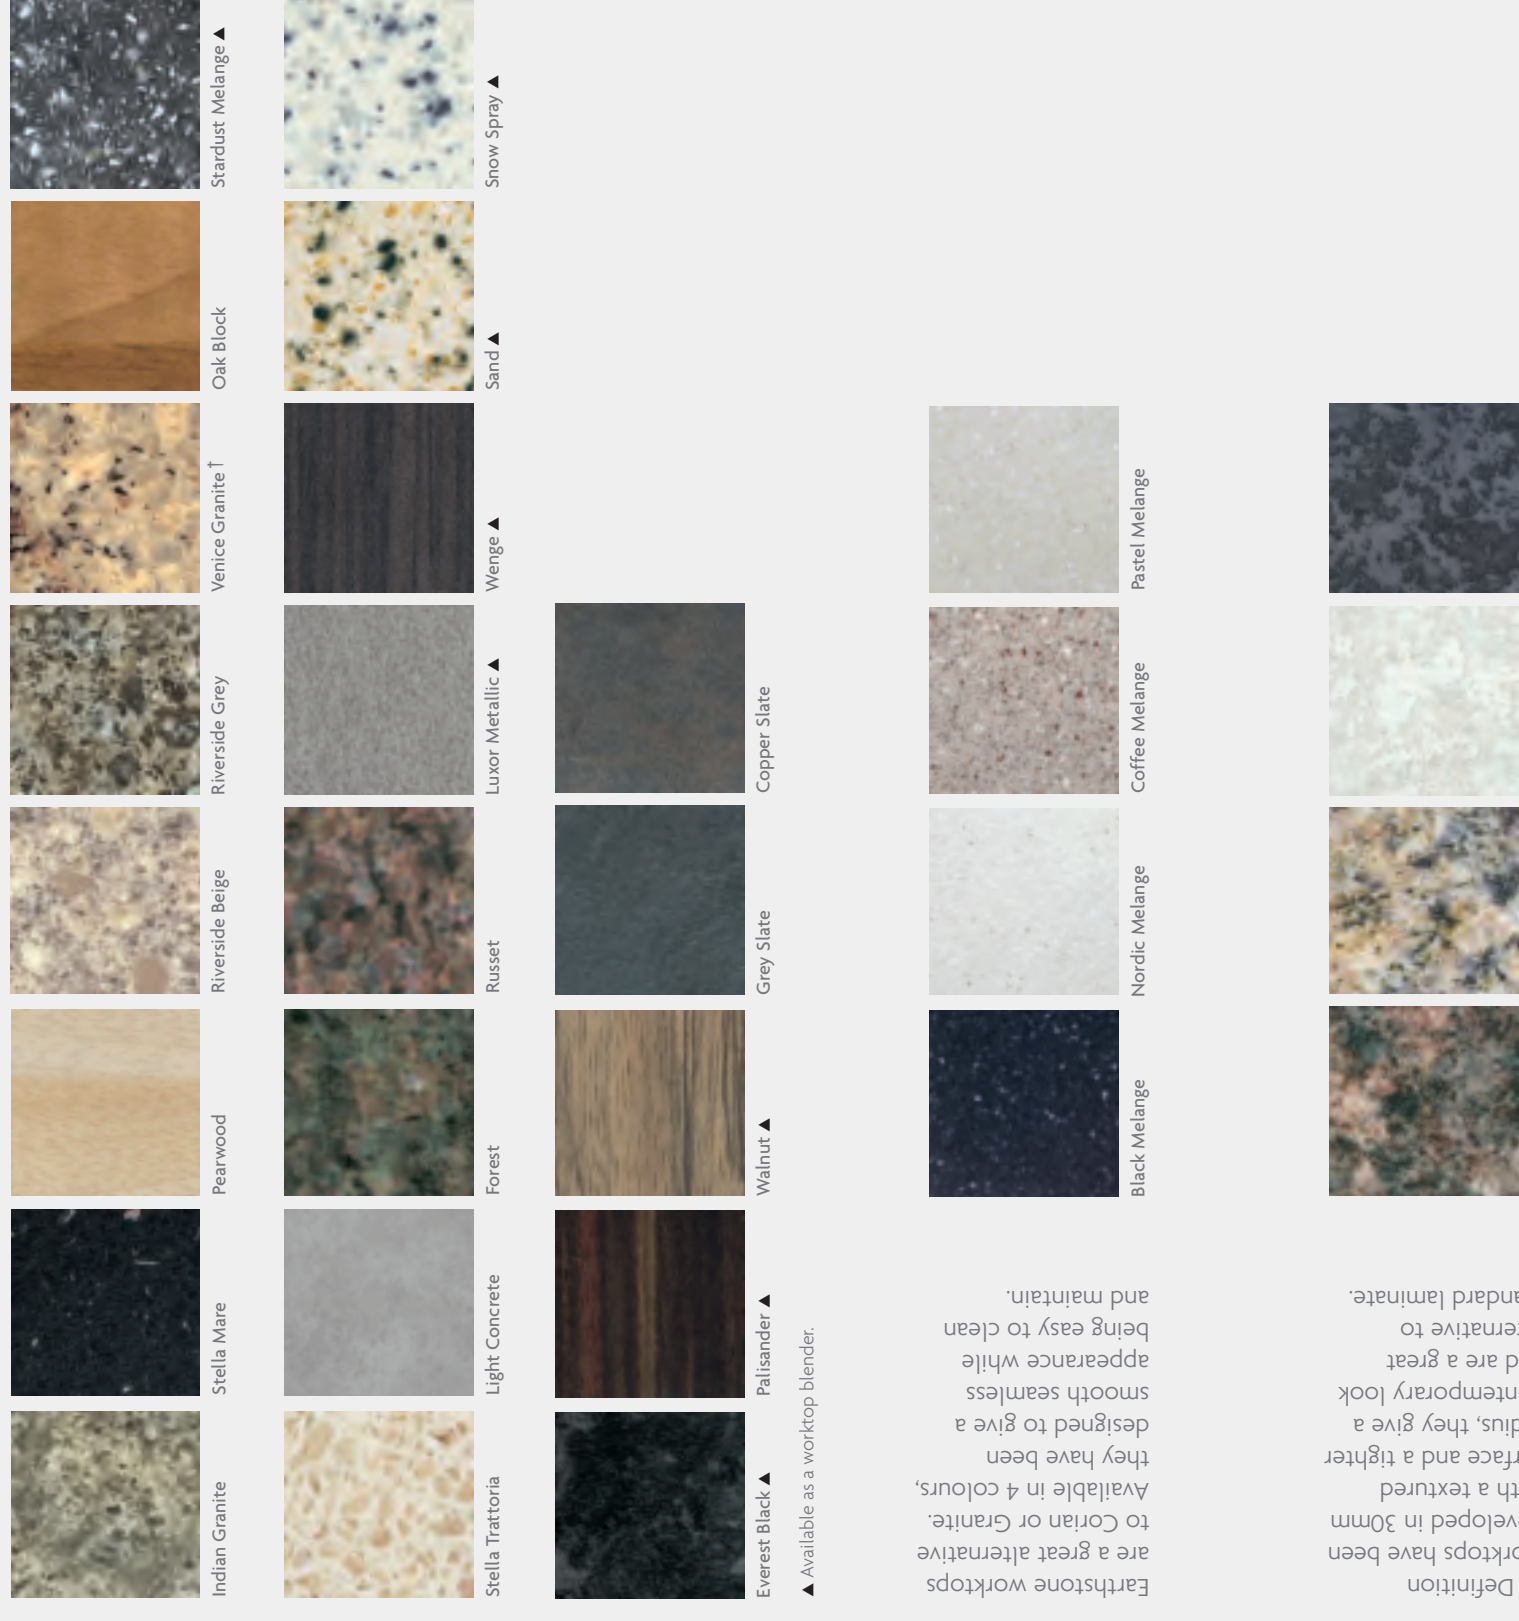

Worktops

Hard-wearing and stylish, our laminate worktops add the perfect finishing touch. Choose from 21 colours and designs, all specially developed to coordinate with the Symphony kitchen range.

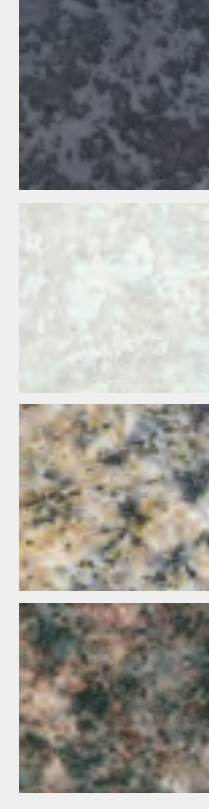

Earthstone

Earthstone worktops are a great alternative to Corian or Granite. Available in 4 colours, they have been designed to give a smooth seamless appearance while being easy to clean and maintain.

Hi Definition

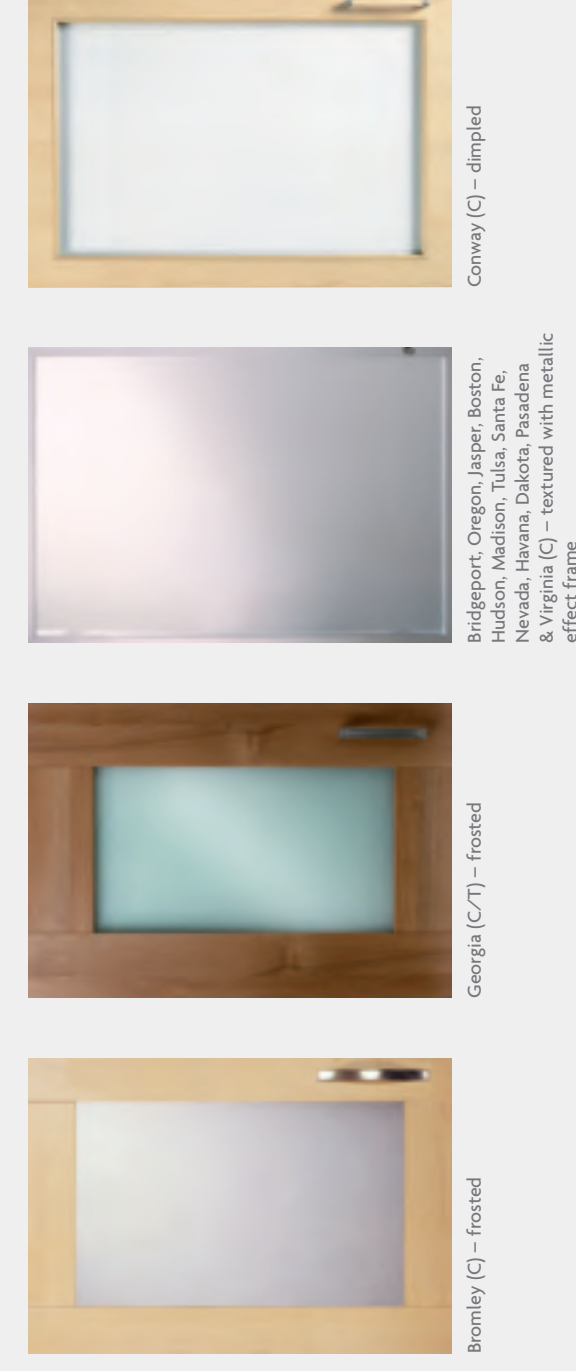

Hi Definition worktops have been developed in 30mm with a textured surface and a tighter radius, they give a contemporary look and are a great alternative to standard laminate.
