

KITCHENS FOR LIVING

INTRODUCTION

Koncept is the leading kitchen brand for new build developments. With a wide collection of ranges reflecting the latest trends and best selling finishes, a choice of cabinet specifications to suit your development and a wide range of finishing touches and accessories you can be assured of the perfect kitchen to wow your home buyers.

And the good news is there are plenty of fabulous styles to choose from in the Koncept by Symphony kitchen catalogue, from the time-honoured classic designs to the more adventurous high gloss contemporary look.

You'll also be pleased to know that we take our environmental responsibilities very seriously. We've gained the quality assurance accreditation BS EN ISO 9001/2000, and subsequently BS EN ISO 14001:2004 – independently endorsing our activities to limit the impact on the environment.

Koncept kitchens are designed to our EKO DESIGN principles ensuring an improved environmental performance without compromising on style or quality. EKO DESIGN principles include all cabinet and doors being FSC® certified and the use of low energy components such as LED lighting, energy efficient appliances and water conserving sinks and taps.

The Furniture Industry Research Association Ltd (FIRA) is one of the world's leading furniture technology centres. The FIRA Gold Award is the ultimate mark of product excellence and completely evaluates quality, fit for purpose and workmanship of our ranges. We are proud that all our ranges and laminate worktops achieve FIRA Gold Award accreditation.

INLINE

Inline kitchens are a must have style for today's modern home. Inline features a stunning handle trim to the top of drawers and doors to create an uncluttered linear style kitchen. Inline is available on selected frontals and feature units that accentuate the clear lines of the Inline handle such as full height base units or pan drawers. Choose between a softly sculpted chrome wave trim design or a slick horizontal brushed aluminium trim design.

Inline Select
Inline Trend
Inline Form

Inline Select Gloss Dusk Grey & Select Gloss Pearl Grey

Inline features a stunning handle trim to the top of drawers and doors to create an uncluttered linear style kitchen haven.

Design Konzept

These two different shades of grey work well together and are further complemented by the textured Mystic Pine laminate worktop and splashback. The worktop is extended to provide a stylish breakfast bar, whilst the wall units include hidden inset handles that emphasize the Inline design.

WORKTOP - Mystic Pine 22mm Laminate

SPLASHBACK - Mystic Pine Laminate

HANDLE - Inline Brushed Aluminium Trim. Inset handle on wall units

Inline Select Gloss Pure White

Inline features a stunning handle trim to the top of drawers and doors to create an uncluttered linear style kitchen haven.

Design Konzept

The city apartment look is achieved here with a modern take on an 'L' shape kitchen design. Low height wall units are framed in panels to complement the thin 22mm Designer White worktop, while recessed tall units create a true contemporary finish.

WORKTOP - Designer White 22mm Laminate

HANDLE - Inline Chrome Wave trim

Inline Trend Gloss Ice Cashmere

Inline features a stunning handle trim to the top of drawers and doors to create an uncluttered linear style kitchen haven.

Design Konzept

The kitchen design accentuates the form of the Inline chrome trim by creating a flow around the U shape kitchen. 22mm Brazillia worktops, island end panel and matching splashback help to complete this modern kitchen design.

WORKTOP - Brazillia 22mm Laminate

SPLASHBACK - Brazillia Laminate

HANDLE - Inline Chrome Wave Trim

Inline Trend Gloss Ice Anthracite

Inline features a stunning handle trim to the top of drawers and doors to create an uncluttered linear style kitchen haven.

Design Konzept

Yellow bursts of colour are the showstoppers in this stunning kitchen design as they emerge from this scintillating Gloss Anthracite kitchen finish. A co-ordinating yellow splashback completes the look along with the satisfying flow of the Inline chrome wave trim and the hidden inset handles on the wall cabinets.

WORKTOP - Marble Veneto Premium Laminate

SPLASHBACK - Yellow Glass

HANDLE - Inline Chrome Wave Trim. Inset handle on wall units.

CONTEMPORARY

Symphony offers developers the latest Konzept in contemporary kitchens that are designed for living. Homebuyers can now choose the latest "in vogue" kitchen range when they purchase their new home. Our Contemporary styles leave you spoiled for choice with the variety of designer kitchens including the handleless New York range, and ever popular matt, gloss and timber effect finishes such as Alta.

New York Gloss Dusk Grey & Gloss Pearl Grey

The inspired New York range features a high gloss finish with integrated pull handles. Giving a luxurious feel to any kitchen, New York is available in Gloss White, Gloss Ivory, Gloss Cashmere, Gloss Dusk Grey and Gloss Pearl Grey.

Design Konzept

The dark shade of Gloss Dusk Grey co-ordinates well with the paler Pearl Grey. The integrated handle design of New York is shown at its best on the tall bank of units neatly storing the integrated appliances and American style fridge freezer. The accent open display unit on the island stores key items and matches the Dark Oak worktop.

WORKTOP - Dark Oak 22mm Laminate

HANDLE - Integrated

SPLASHBACK - Platinum Glass

New York Gloss Cashmere

The inspired New York range features a high gloss finish with integrated pull handles. Giving a luxurious feel to any kitchen, New York is available in Gloss White, Gloss Ivory, Gloss Cashmere, Gloss Dusk Grey and Gloss Pearl Grey.

Design Konzept

Inspired by the timeless appeal of the New York skyline, this iconic Cashmere design brings seamless Manhattan styling to any space. This design has been created to provide a practical working space that makes a clever design feature out of bridging units, mid height units and a feature island. Full height doors accentuate the clean uncluttered lines of this handleless kitchen.

WORKTOP - Earthstone Nordic Melange

HANDLE - Integrated

Quadra White & Cobble Grey

The angular design and on-trend matt colours of Quadra embodies a versatile modern flair. Quadra features a subtle thin frame and is available in three finishes that reflect the latest colour trends and the desire for soft to touch matt doors.

Design Konzept

Choose the dark Cobble Grey and mix with White to create a stunning contrasting look, which is finished off with sleek angular handles. The symmetry of this design is achieved with the two pan drawer units being bordered by full height units. A Platinum coloured glass splashback wraps around the walls and the striking Cobble Grey tall units link the kitchen to the dining area.

WORKTOP - Brazillia 22mm Laminate

SPLASHBACK - Platinum Glass

HANDLE - Matt Nickel Square D Handle (HPK644)

Quadra Pavilion Grey

The angular design and on-trend matt colours of Quadra embodies a versatile modern flair. Quadra features a subtle thin frame and is available in three finishes that reflect the latest colour trends and the desire for soft to touch matt doors.

Design Konzept

This kitchen design reflects the best of current open plan living spaces with a social island design that offers seating areas at either end. Drawer units are used on the island, whilst this is set in front of a wall of doored units. Light Ash floating shelves are used to provide additional storage space above the worktop.

WORKTOP - Woodstone Premium Laminate

HANDLE - Brushed Nickel Bow Handle (HPK643)

Alta Matt Dark Walnut & Matt Pure White

The high specification Alta kitchen is available in two matt, two timber effect and four gloss finishes; Matt Anthracite, Matt Pure White, Matt Dark Walnut, Matt Rustic Oak, Gloss Dusk Grey, Gloss Pearl Grey, Gloss Mussel and Gloss Pure White. With an array of options to choose from, there is sure to be something suitable for the most modern of homes.

Design Konzept

The kitchen design embraces open plan living with dining area and island that acts as a focal point of the room. The textured Dark Walnut finish is a striking contrast to the Matt Pure White tall bank of units, which neatly house a selection of appliances.

WORKTOP - White Storm Silestone

HANDLE - Brushed Nickel Barrel D Handle (HPK630)

Alta Rustic Oak & Gloss Dusk Grey

The high specification Alta kitchen is available in two matt, two timber effect and four gloss finishes; Matt Anthracite, Matt Pure White, Matt Dark Walnut, Matt Rustic Oak, Gloss Dusk Grey, Gloss Pearl Grey, Gloss Mussel and Gloss Pure White. With an array of options to choose from, there is sure to be something suitable for the most modern of homes.

Design Konzept

This simple yet effective kitchen layout encompasses an L-shaped design with a corner larder unit linking the Rustic Oak base units and matching Rustic Oak worktop to the Gloss Dusk Grey tall units. Integrated appliances and plenty of additional storage space is included, with hidden extractor and inset handles on wall units.

WORKTOP - Rustic Oak 22mm Laminate

SPLASHBACK - Rustic Oak Laminate

HANDLE - Chrome Chunky Bridge Handle (HPK640). Inset handle wall units

Alta Mussel

The high specification Alta kitchen is available in two matt, two timber effect and four gloss finishes; Matt Anthracite, Matt Pure White, Matt Dark Walnut, Matt Rustic Oak, Gloss Dusk Grey, Gloss Pearl Grey, Gloss Mussel and Gloss Pure White. With an array of options to choose from, there is sure to be something suitable for the most modern of homes.

Design Konzept

This kitchen design is an open plan haven with the breakfast bar looking over the kitchen area to the stunning bank of tall units offering integrated appliances and extra storage space.

WORKTOP - Marble Brown Premium Laminate

HANDLE - Chrome Chunky Bridge Handle (HPK640)

Woodbury Cashmere

The best selling Woodbury range of kitchens is available in a variety of gloss finishes that can either be mixed together or are strong enough to stand alone as a complete kitchen.

Design Konzept

The Gloss Cashmere finish is designed into this open plan kitchen layout with the blue accent open units adding bursts of colour. Drop down cabinets are used underneath windows to provide a functional seating area with additional storage space.

WORKTOP - Volcanic Ash Premium Laminate

SPLASHBACK - Chalk White Glass

HANDLE - Polished Chrome D Handle (HPK445)

Woodbury Basalt

The best selling Woodbury range of kitchens is available in a variety of gloss finishes that can either be mixed together or are strong enough to stand alone as a complete kitchen.

Design Konzept

This U shaped kitchen design maximises storage space whilst offering an inviting open plan kitchen design with the breakfast bar arrangement. Tall corner larder units side by side provide the backdrop to this kitchen and offer a wealth of storage options. 22mm light ash worktops give the kitchen an ultra-modern feel and inset handle wall units complete the look.

WORKTOP - Light Ash 22mm Laminate

SPLASHBACK - Light Ash Laminate

HANDLE - Chunky Chrome Bridge Handle (HPK640).
Inset handle on wall units

Plaza Cashmere & Porcelain

Create an on-trend kitchen that combines popular pastel colours with textured painted effect frontals in the Plaza range. Plaza is available in a palette of four colours: Cashmere, Mussel, Porcelain and Stone that can complement each other in mix and match style kitchens.

Design Konzept

This über chic and exquisitely crafted kitchen combines textured painted-effect frontals with co-ordinated worktops and splashbacks. The attention to detail is delightfully demonstrated with tall units either side of Matt Porcelain base units and contemporary Mystic Pine worktops.

WORKTOP - Mystic Pine 22mm Laminate

SPLASHBACK & UPSTAND - Mystic Pine Laminate

HANDLE - Polished Chrome D Handle (HPK445)

Plaza Stone & Kansas

The cross-grain textured Light Ash finish of Kansas is a perfect companion for the painted effect stone finish of Plaza.

Design Konzept

22mm Light Ash worktops make the Kansas finish the champion of this kitchen design and are softened by the muted tones of the Plaza stone wall units. The grain direction of the Light Ash worktop creates a stunning wrap around effect on worktop end panels.

WORKTOP - Light Ash 22mm Laminate

SPLASHBACK - Chalk White Glass

HANDLE - Brushed Nickel Bow Handle (HPK643)

Virginia Oak & Alta Matt Pure White

The warm blonde oak finish of Virginia Oak offers a homely, inviting feel to the kitchen.

Design Konzept

The combination of Blonde Oak and White gives this kitchen a designer edge. Virginia Oak base and tall units are presented against a muted backdrop of handleless Alta Matt Pure White wall units, 22mm Designer White worktops and a painted white brick wall.

WORKTOP - Designer White 22mm Laminate

HANDLE - Matt Nickel Square D Handle (HPK644). Inset handles on wall units

Minnesota & Medford

Striking textured Minnesota doors take centre stage in this kitchen to create dramatic, moody, good looks.

Design Konzept

Medford's white panel door is simple in looks and creates a subtle backdrop to the kitchen along with the sensational 22mm Designer White laminate worktop along the statement island and breakfast bar.

WORKTOP - Designer White 22mm Laminate

HANDLE - Brushed Nickel Bow Handle (HPK643)

CLASSIC

The Classic portfolio of Konzept kitchens offers private housing developers a fantastic range of elegant, timeless finishes. These kitchens exude warmth and character to form a wonderful welcoming feel for the homeowner.

Oakham
Austin
Ashbourne
Cranbrook
Georgia
Calgary
Newport
Oregon

Oakham

Oakham allows the everlasting beauty of Oak to breathe warm inspiration into the heart of the home. The sleek angular shaker styling combined with the rich, honeyed tones of this Blonde Oak veneer create a warm kitchen space.

Design Konzept

The must-have double pantry unit provides the focal point of this kitchen. A range cooker adds to the unique character of this kitchen design.

WORKTOP - Earthstone Pastel Melange

UPSTAND - Earthstone Pastel Melange

HANDLE - Iron D Handle (HPK404)

Austin

This timber veneered ivory shaker is a classic in its own right and creates a simple yet stunning kitchen design.

Design Konzept

Traditional kitchen that features a luxurious freestanding range cooker and a design that provides ample storage space, none more so than in the twin pantry units.

WORKTOP - Colmar Oak Premium Laminate

UPSTAND - Colmar Oak Laminate

HANDLE - Matt Brushed Nickel Arched Handle (HPK631)

Ashbourne Ivory

This striking Ivory door with its distinctive grain effect creates a simply stunning kitchen space.

Design Konzept

It is the finer details that set this kitchen apart with the decorative cornice and pelmet framing the wall units and the stunning integrated fridge freezer housing.

WORKTOP - Colmar Oak Premium Laminate

HANDLE - Brushed Nickel Bow Handle (HPK643)

Cranbrook Sage & Stone

Cranbrook offers a modern take on the farmhouse inspired shaker kitchen. Available in four earthy painted effect finishes.

The Ivory, Platinum, Sage and Stone colours can either stand alone or work in combination with one another to produce the perfect classic kitchen design.

Design Konzept

Co-ordinating framing panels help to give this design a modern twist. The Cranbrook door is shown off in full beauty on the tall units and pantry units in this design, whilst the realistic Colmar Oak worktops help create the country look.

WORKTOP - Colmar Oak Premium Laminate

SPLASHBACK - Colmar Oak Laminate

HANDLE - Polished Chrome D Handle (HPK445)

Cranbrook Platinum & Georgia Oak

The undeniable character and lovability of the shaker design come together to create a modern version of a classic.

Design Konzept

The island with pan drawer units and built in sink makes full use of the available kitchen space and enables two banks of tall units to provide ample storage. The traditional range cooker is flanked by co-ordinating two drawer pan units and bi-fold wall units.

WORKTOP - Alaska PVC Edged Laminate

SPLASHBACK - Pewter Glass

HANDLE - Satin Nickel Bow Handle (HPK433)

Cranbrook Ivory

Cranbrook offers a modern take on the farmhouse inspired shaker kitchen. Available in four earthy painted effect finishes.

The Ivory, Platinum, Sage and Stone colours can either stand alone or work in combination with one another to produce the perfect classic kitchen design.

Design Konzept

This stunning kitchen design centres on the feature island and the stunning range cooker ties in perfectly with the door style and setting. The polished chrome D handle and contrasting Cinnamon worktop work in harmony with the Ivory shaker door.

WORKTOP - Cinnamon Premium Laminate

SPLASHBACK - Bride Glass

HANDLE - Polished Chrome D Handle (HPK445)

Calgary

Timeless tongue and groove detailing makes Calgary reassuringly homely.

Design Konzept

L-shaped kitchen with 40mm worktops, glazed tall wall storage units, stainless steel splashback and appliances.

WORKTOP - Oak Block Laminate

UPSTAND - Oak Block Laminate

HANDLE - Matt Nickel Square D Handle (HPK296)

Newport

The traditional qualities of Newport give it a cosy, homely feel. Each ivory door features a distinctive tongue and groove appearance centre panel to provide a beautiful timeless appeal.

Design Konzept

It is the finer details that set this kitchen apart with the decorative cornice and pelmet framing the wall units and the stunning integrated fridge freezer housing.

WORKTOP - Oak Block Laminate

HANDLE - Grooved Pewter Handle (HPK672)

Oregon White

Light, smooth and deliciously effortless. Oregon's soft lines and satin finish are available in natural tones of Cream, Dove Grey and White.

Design Konzept

A classic 'L' shaped kitchen design that effortlessly flows into the living space. Internal drawers are used to enable an uncluttered look to be created with full height base units and 561mm wall units.

WORKTOP - Riverside Beige PVC Edged Laminate

SPLASHBACK & UPSTAND - Riverside Beige Laminate

HANDLE - Brushed Nickel Arched Handle (HPK645)

FINISHING TOUCHES

You've chosen the style, you've decided the finish, now it's time to choose the finishing touches that make a new kitchen stand out. Select from a wide range of worktops, appliances, sinks and taps to tailor make an appealing kitchen for your customers. Don't forget lighting and storage accessories are the essential extras that enhance the appeal of the kitchen.

40MM LAMINATE WORKTOPS

Hard-wearing and stylish, our 40mm laminate worktops add the perfect finishing touch. Choose from a wide range of colours and designs, specifically developed to co-ordinate with the Konzept kitchen range. Worktops are supplied in a bullnose or PVC edged specification and are available with co-ordinating upstands, splashbacks and blenders.*

* maximum worktop length 4000mm

Alaska Alpine White Copper Slate Dark Ash Everest Black Natural Ash Oak Block Pastel Oak

Riverside Beige Riverside Grey Sandstone Stella Mare Tectonica Turkish Marble

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

34MM EARTHSTONE

Earthstone worktops are a great alternative to solid surface worktops such as quartz or granite. They have been designed to give a smooth appearance with inconspicuous joints and edges, while being easy to clean and maintain.

* maximum worktop length 3600mm

Glacier White Gold Dust Lava Nordic Melange Pastel Melange

40MM PREMIUM WORKTOPS

Our premium 40mm worktops feature either textured or ultra smooth laminate finishes with a contemporary 3mm front radius providing a modern flat profile.

Worktops are available with co-ordinating worktop upstands and splashbacks.*

*maximum worktop length 3600mm

Cinnamon Colmar Oak Empire Slate Liberty Rock Marble Brown Marble Veneto Volcanic Ash Woodstone

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

22MM WORKTOPS

These stunning 22mm worktops feature subtle textured surfaces and are the cutting edge of laminate worktop design. The colour palette includes finishes that match selected kitchen range decors to create an ultra modern one colour kitchen, or to provide another option for mix and match designs. Worktops are available with matching blenders, upstands and splashbacks.*

*maximum worktop length 3000mm

Brazillia Dark Oak Designer White Light Ash Mystic Pine Rustic Oak

Please note that worktop joints may be conspicuous due to the variation of pattern and colour variation within each finish.

GRANITE

There's nothing quite like a genuine granite work surface. Extremely durable, 30mm thick, easy to clean, heat resistant and of course, stunningly beautiful. No two pieces of granite are identical, so each kitchen is unique.

SILESTONE

Available in 20mm and 30mm our scratch resistant Silestone Quartz has radiant clarity and exceptional strength. Silestone is available in a range of creative colours.

GLASS UPSTANDS & SPLASHBACKS

A range of contemporary and subtle colours to suit any style of kitchen and complement our worktop selection.

STANDARD COLLECTION

This collection features the four core splashback colours.

GLOSS COLLECTION

Our Gloss Collection feature a diverse palette of colours that match and complement a variety of the kitchen finishes, accent open display units and include three metallic effect styles.

LIGHTING

The importance of lighting in completing a welcoming attractive kitchen design cannot be underestimated. A full selection of low energy LED lighting and accessories is available to help you achieve this. The range includes spotlights, flexible strip light, illuminated shelves and plinth lights.

Many lights are available in a cool white or warm white light to provide flexibility to suit the design of the kitchen environment. Extra upgrade options like illuminated shelves or convenient pop up sockets within worktops are a perfect finishing touch to set a kitchen apart.

SYMPHONY SOLUTIONS

Our Headquarters – Environmentally Designed

The design and construction of Symphony's state of the art manufacturing and Head Office facilities at Barnsley, South Yorkshire has incorporated the highest BREEAM (BRE Environmental Assessment Method) standards.

The building has been designed to deliver the highest levels of insulation and energy efficiency and is utilising one of the largest biomass fired boiler plants in the UK. Delivering all heating from the use of wood waste from a 1000m³ storage silo, Symphony employs 100% re-circulation systems to optimise waste and minimise emissions.

A sophisticated zoned dali lighting system in the office and warehouse area detects occupancy, daylight and dimming to ensure best electrical energy use in a busy area.

Why is it that so many developers choose Symphony?

The answer is simple - first class service. Quality, reliability and a complete understanding of the needs of not only developers but ultimately the homeowners, ensures our service offer is second to none.

We understand that delivering the right products at the right time is only part of the process and that our proven ability to supply a comprehensive installation package forms an essential part of the service we offer. Our experience in working in close partnership with housebuilders means we can produce and install unrivalled quality furniture to suit your project.

Quality Approved Service

Symphony was the first furniture manufacturer to be awarded the prestigious ISO Quality Management System Award BS EN 9001:2008 for its installation and customer care operations. We provide our customers with a quality assurance standard for the complete service from manufacture and delivery of product, through to on-site installation and post completion customer care.

Our Service Promise

- A partnership approach throughout the complete process.
- Open and clear lines of communication at all levels.
- Delivery of goods and services on time and correctly.
- Controlled project management through our field based personnel.
- Furniture installation within agreed time-scales.
- The identification and resolution of any product based issues prior to completion of the installation.
- Customer care (post-occupation) issues to be dealt with swiftly.
- Quality audits to verify that both the product and installation are consistent with our expectations.

Outstanding Supply Capabilities

Symphony produces on average 30,000 assembled kitchen units per week, delivered direct to site - right across the country - on our own diverse fleet of low emission vehicles. Orders are scanned through the entire production process from initial picking from stock, to loading onto our vehicle to offloading on site to ensure timely, right first time deliveries.

Quality Approved Products

The Furniture Industry Research Association Ltd (FIRA) is one of the world's leading furniture technology centres. The FIRA Gold Award is the ultimate mark of product excellence and completely evaluates quality, fit for purpose and workmanship of our ranges.

We are proud that all our ranges and laminate worktops achieve FIRA Gold Award accreditation.

Following stringent appraisals Symphony's products have achieved the FIRA Gold award based on all cabinets, drawer fronts and drawer boxes complying with requirements for structural integrity and surface performance. They have also been evaluated for aspects of workmanship and fitness for purpose.

Emission Reducing Transport

Direct to site deliveries via Symphony's fleet of over 135 commercial vehicles and a superior scheduling ability allows us to maintain one of the shortest lead times for delivery in the market place. Planning the most direct routes minimises journey times and distances, and helps us operate efficiently and in a manner that is environmentally friendly.

Our latest fleet of distribution vehicles are among the cleanest most fuel efficient trucks on Britain's roads. The Mercedes-Benz fleet has achieved Euro 5 and 6 emissions targets through BlueTec SCR (Selective Catalytic Reduction) technology. They have special tanks to carry the non-toxic AdBlue reduction agent required in the SCR process to convert pollutant nitrogen oxide into harmless nitrogen and water.

SUSTAINABLE MANUFACTURING

Symphony is committed to a sustainable manufacturing approach and gives you the assurance of high environmental standards. This is reflected in our stringent Environmental Policy, which is underpinned by a series of Controlled Objectives covering the eco-friendly use of energy, transport, packaging, non-renewable resources and the acquisition of timber based products.

- BS EN ISO 14001 - Accreditation for recognising and controlling the effects of manufacturing on the environment. We were the first company in our sector to achieve this accreditation.
- Forest Stewardship Council (FSC®) – Symphony became the first in the industry to be accredited with a full FSC® chain of custody. The trademark indicates that wood used comes from a well managed source in accordance with strict environmental, social and economic standards.
- FISP (The Furniture Industry Sustainability Programme) supports and improves the furniture industry's sustainability credentials and has rapidly become established as the industry forum on all environmental and sustainable issues. FISP focuses not just on current environmental issues, but also incorporates purchasing, end of product life and social and community issues – inherently part of our long term sustainability strategy.
- Valpak - We are also proud members of Valpak, an organisation dedicated to monitoring compliance with recycled packaging obligations.
- FIRA Club Green – Help Symphony to improve our environmental impact through improving process management and benchmarking environmental performance through annual site audits.

None of the style or high quality of our products has been compromised in the development of our EKO DESIGN principles which are a key aspect of all our kitchen ranges.

- Cabinets and doors are FSC® certified
- Recyclable handles
- LED lighting – low voltage
- Integrated waste disposal
- 'A' Rated energy efficient appliances
- Water conserving sinks and taps
- FSC® worktops
- 25 year whole life costings
- Cabinet saving sink unit liners to protect against water ingress

DESIGN SERVICE

Inspirational Design Advice and Support

Symphony's Marketing Suite is Europe's finest showroom designed specifically to support our business to business customers. There's no better way to gain inspiration for your next project than by visiting our 20,000 sq ft Marketing Suite at our Barnsley headquarters. You can see innovative new features, get previews of upcoming products and be inspired by the latest design styles and ideas. With the largest team of designers in our sector, we will provide room designs that are functional and appealing that will add value to your development. The dedicated team of experienced designers are fully operational in the latest computer aided design technology utilising a bespoke kitchen design software package.

Our design team combine their knowledge of the latest trends and design techniques to support our customers in the creation of stunning kitchens, bedrooms and bathrooms that can be the focal point of today's finest show homes. We can design options for upgrades, such as with integrated appliances, internal storage accessories and lighting to provide today's home buyer with the choice they demand.

3D Perspectives

We will work closely with you to gauge the requirements for the design process and combined with our insight we can then develop appropriate layouts. These designs are then presented to you in the form of 3D perspectives that provide a real impression of how the final room will look. At this stage designs can be refined and options presented for upgrades and can be exported to AutoCAD for checking against architects' plans.

Support Material

Our technical and sales teams liaise closely with customers from the start of the project to ensure it runs as smoothly as possible. Product samples, colour selection boards, worktop colours and handle samples are available. To help with your own marketing, we provide access to our online media centre. Here, you can download product images and use them free of charge.

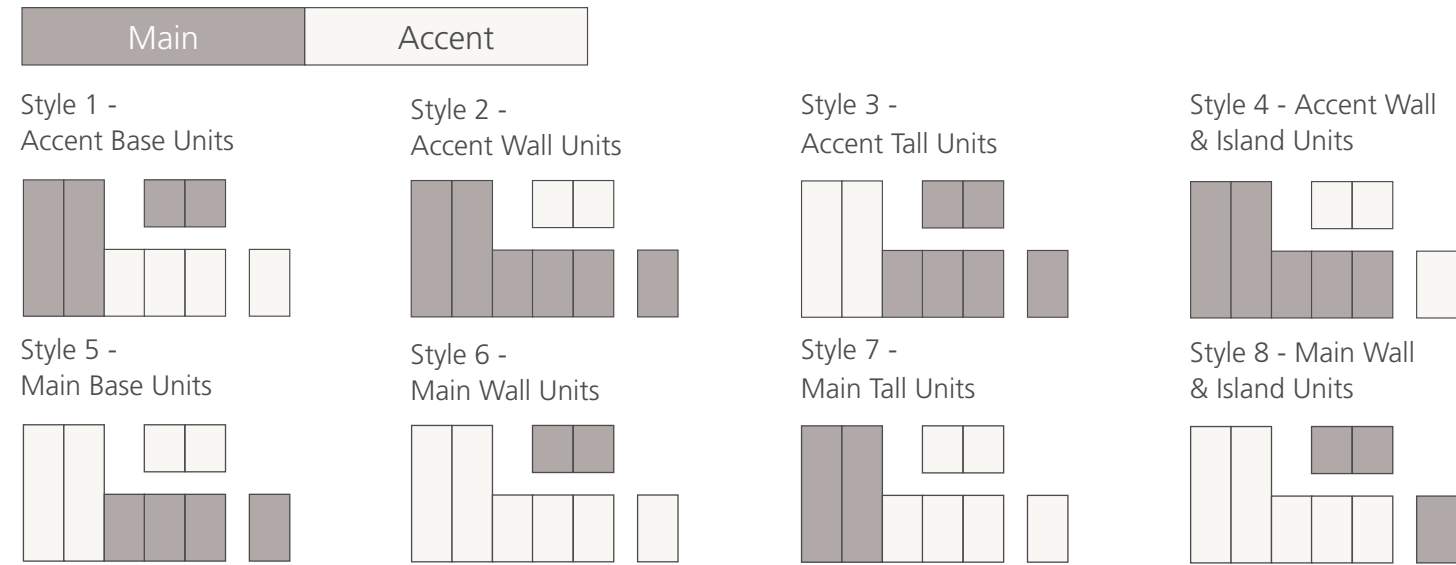

MIX & MATCH

The complementary tones of two contrasting ranges in the same kitchen creates the luxury modern kitchen environment. Mix and match is available with the Contemporary Konzept kitchen ranges on 18mm cabinets and can be completed with a selection of framing effects, handle options and worktop finishes.

MIX & MATCH STYLES

Eight design styles are available based on the group of units where the accent range is located.

SYMPHONY BRANDS

Symphony presents a diverse range of brands spanning kitchen, bedroom and bathroom furniture. Our kitchens incorporate modern handleless kitchens in Linear, to the highest quality contemporary and classic kitchens in Gallery. The Laura Ashley Kitchen Collection brings the rich design heritage of the brand to an inspirational and distinctive collection of furniture.

Our Urbano bedroom furniture includes fully fitted styles, front frame and sliding robes, whilst our Aquadi bathroom brand encompasses a range of modular and fully fitted designs.
