

## To prevent accidents and protect

Our policy is to:

- Provide adequate control of the Health & Safety risks arising from our work activities through a process of continual assessment, with an aspiration to eliminate all incidents with the potential for causing loss, damage or injury.
- Consult with our employees on matters affecting their Health & Safety.
- Provide and maintain safe plant and equipment.
- Ensure safe handling and use of substances.
- Provide information, instruction and supervision for employees.
- Ensure all employees are competent and able to perform their duties and receive all relevant training.
- Prevent accidents and cases of work-related ill health.
- Maintain safe and healthy working conditions.
- Comply with relevant legislation/regulations as a minimum requirement.
- Review and revise this policy as necessary.

Overall and final responsibility for Health & Safety is that of the Board of Directors.

The Board of Directors has nominated the Managing Director to assume day to day responsibility for ensuring this policy and procedures are put into place.

Richard Bunton  
Managing Director
