THE KITCHEN COLLECTION

creating your kitchen

Welcome to The Kitchen Collection, a selection of affordable stylish kitchens designed and made in Britain.

So, you are embarking on an exciting journey to create your new kitchen, congratulations! Located at the heart of the home the kitchen is increasingly an open plan space that combines dining and living areas. It's a space that you will socialise and entertain in, so we'd love to help you pick a style that you want to show off.

All our kitchens are FSC® certified assuring you that the wood comes from well managed forests and FIRA Gold certified which is the mark of furniture excellence. We make our high quality kitchens at our industry leading manufacturing facilities in South Yorkshire and we proudly employ over 1500 people across Britain.

The Kitchen Collection brings together a wide selection of kitchen ideas and styles, giving you a designer kitchen that you will be delighted with. Once you've got an idea on the kitchen colours theme, style and layout you like then it's time to spend some time with your kitchen designer. YOUR CONTEMPORARY STYLE

Our contemporary range of kitchens can create a unique distinctive look, from sleek super-matt Urban kitchens that include the latest anti-scratch and anti-fingerprint technology, to Alta high gloss reflective designs that can make a space seem bigger and brighter. Our collection also includes a full paint to order colour palette to pick from as well as the latest timber effect designs with striking walnuts and the rustic charm of oak.

Choose from a single range throughout your kitchen, or be adventurous and use a contrasting woodgrain finish. Alta Rustic Oak and Anthracite, or Urban Grey Walnut and Pebble complement each other perfectly.

For an ultra sleek modern design choose a handleless style such as New York with its integrated handle trim, or our Inline trim handle options. These can accentuate the clean unbroken lines of the trims and embellish the contemporary look.

YOUR CLASSIC STYLE

This range of kitchens exude warmth and character to form a wonderful welcoming feel. From classic smooth shaker doors in subtle tones, to our painted ash veneered options available in several on-trend colours; you can create a country cottage style or a more sophisticated modern kitchen design.

All of our kitchen ranges can be styled to look more traditional or to take a modern twist on a classic design. The use of feature cabinets, cornice and pelmet above and below wall cabinets, the handle choice and

the work surface make a big impact on the overall style.

The choice of colour is also influential with a traditional look being created by using colours such as Atlantic Green, Sage and Stone, complemented with an Oak work surface and aged brass handles. For a more modern look use Grey, White and deep Blue tones and select a chrome or matt black handle and contemporary thin work surface.

The Milano kitchen collection is brought to you by Symphony one of the UK's largest suppliers of fitted kitchen, bedroom and bathroom furniture. We have been making kitchens in Britain for almost 50 years and are constantly investing in ways to improve the quality and sustainability of our products and operations to create the perfect living space for many years to come.

Each kitchen from Symphony is assured with a 10 year guarantee. Stringent quality control systems accredited to BS 9002 Part 2 and ISO 9001-2008 guarantees you the best quality furniture that's built to last. We are proud that all our kitchens achieve the FIRA Gold product certification, which is the ultimate mark of product excellence and completely evaluates the quality and robustness of the furniture.

Limiting our Environmental Impact

Our furniture has full FSC® certification assuring you that the wood used comes from responsibly managed forests with a full chain of custody. We've gained the BS EN ISO 14001:2004 quality standard which independently endorses our ongoing operational activities to limit our impact on the environment. Symphony is a member of the recycled packaging organisation, Valpack. This membership has been achieved by minimising packaging without compromising protection, and initiatives include utilising protective reuseable blankets on deliveries where possible.

our purpose built site in south yorkshire

We take our environmental responsibilities seriously and built our South Yorkshire based manufacturing and Head Office facilities to BREEAM standards, including a biomass boiler that provides all the heating.

Symphony's iconic fleet of over 150 burgundy lorries is amongst the most fuel efficient on Britain's roads, due to the inclusion of Bluetec Euro 6 Mercedes Actros engines.

To ensure the continuous development and improvement of our products, we reserve the right to make changes to the colour, design and descriptions or methods of manufacture of our furniture. Such changes may be made without prior notice and without incurring liability. In many of our products we use wood, a natural living material which will reflect a numerous variety of grains and textures and so variances must be allowed for. Styles that feature timber, PVC, laminates, painted and melamine finishes may incur a slight colour change over the years.
